Mutilation trail leads to Pak, Delhi tells Islamabad

EXPRESS NEWS SERVICE
NEW DELHI, MAY 3

DEMANDING THAT ISLAM-ABAD "take immediate action against its soldiers and commanders" responsible for crossing the Line of Control, killing and mutilating the bodies of two Indian soldiers, New Delhi Wednesday said there was "sufficient evidence" of the Pakistan Army's involvement in the attack, and that the "trail of blood" showed that the "killers returned across the Line of Control".

Foreign Secretary S Jaishankar, who summoned Pakistan High Commissioner Abdul Basit, expressed "outrage" at the killing and "barbaric act of mutilation" and called it "an extreme act of provocation". This

This the first time, in recent months, that the Ministry of External Affairs has directly blamed the Pakistan Army for killing and mutilating the bodies of Indian soldiers

the first time, in recent months, that the Ministry of External Affairs has directly blamed the Pakistan Army for killing and mutilating the bodies of Indian soldiers.

Basit, on his part, denied any involvement of the Pakistan Army in the Monday — a Pakistan border action team Army crossed the LoC Monday in the Krishna Ghati sector of Poonch in J&K, ambushed an Indian patrol and beheaded Army Naib Subedar Paramjit Singh and BSF Head Constable Prem Sagar — but told the Foreign Secretary that he would convey the contents of the demarche.

Meanwhile, Union home minister Rajnath Singh, who met J&K governor N N Vohra a day earlier, held talks Wednesday with national security advisor Ajit Doval, Intelligence Bureau chief Rajiv Jain, Research & Analysis Wing chief Anil Dhasmana and home

secretary Rajiv Mehrishi.

In a statement, Gopal Baglay, spokesperson for the Ministry of External Affairs, said: "Foreign Secretary conveyed India's outrage at the killing and the barbaric act of mutilation of two Indian soldiers on May 1, 2017 by Pakistan Army personnel. It was significant that the attack was preceded by covering fire from Pakistani posts in Battal sector (in the vicinity of village Battal)."

"Blood samples of the Indian soldiers that have been collected and the trail of blood on Roza Nala clearly shows that killers returned across the Line of Control. Government of India demands that Pakistan take immediate action against its soldiers and commanders responsible for this heinous act," he said.

Baglay said there was "sufficient evidence" of the role of the Pakistani Army. "We have proof it was carried out by the Pakistan Army. We have demanded from Pakistan that whoever from their Army was behind this incident be punished," he said.

Asked whether India would consider revoking the 'most favoured nation' status to Pakistan, Baglay said it was a WTO obligation that all members extend to each other. "It's with others also, not just Pakistan," he said.

Pak students on five-day 'peace' visit sent back

EXPRESS NEWS SERVICE
New Delhi, May 3

THE ESCALATION of tension between India and Pakistan, following the beheading of two Indian soldiers by a Pakistani border team on Monday, has had an unexpected fallout. Around 50 Pakistani children, who crossed the Wagah border on Monday for a five-day exchange programme to promote "peace and harmony", have been sent back.

"An NGO had invited Pakistani school students here. They came to India on the same day when the barbaric and inhuman act of killing and mutilating our soldiers happened. The ministry advised the NGO that it was not an appropriate time for such exchanges after we learnt that the children had crossed over to India on May 1," said Gopal Baglay, spokesperson of the Ministry of External Affairs (MEA).

The students, aged between 11-15, had visited the Golden Temple in Amritsar on Monday afternoon, and arrived in Delhi that evening. Following a sightseeing trip in the capital, they were to visit Agra and participate in an exchange of experiences with Indian students at the Pakistan Embassy. Organised by Delhi-based NGO, Routes2Roots, the visit, earlier slated for October 2016, was cancelled at the time in the wake of the announcement of surgical strikes by India along the LoC in September.

The visit by children from various schools in Pakistan, along with their principals, was the culmination of a year-long exchange programme.

LoC losses triggered attack

PRAVEEN SWAMI
NEW DELHI, MAY 3

THE SAVAGE AMBUSH on the Line of Control which led to the decapitation of two Indian soldiers on Monday is believed to have been authorised by Pakistan Army chief General Qamar Javed Bajwa following a visit to Pakistani military positions in Haji Pir on April 30, Indian intelligence and military sources have told The Indian Express.

Local commanders, sources said, had underlined the need for reprisal strikes following the killing of seven to ten soldiers in an April 17 Indian artillery assault. Lt General Nadeem Raza, who commands the Pakistan X Corps, responsible for Kashmir, pushed back against concerns that the retaliatory action could lead to escalation on the LoC, sources said, along with Major

General Azhar Abbas, head of the Murree-based 12 Infantry Division, the formation whose units have been at the receiving end of the artillery duels on the LoC since last year.

"Ever since the cross-Line of Control strikes that followed the Uri terrorist attack, things haven't really quietened down" an Indian intelligence official said. "The skirmishing has been costly for Pakistan, and we think it's trying to show India it is now willing to risk escalation, despite the weakness of its military position on the Line of Control."

Estimated to deploy some 200,000-225,000 troops along

the LoC, the Indian Army's 15 and 16 Corps in Jammu and Kashmir have overwhelming numerical superiority against Pakistan.

Pakistan's X Corps, made up of the 23 Infantry Division, 12 Infantry Division, 19 Infantry Division and Force Command Gilgit-Baltistan, has some 100,000-125,000 troops.

General Bajwa, who came to office soon after the cross-border raids ordered by Prime Minister Narendra Modi in the wake of the Uri attack, has placed Kashmir high on his agenda, visiting the Kel sector in March, and the shelling-hit Bimber sector in

December and February.

Haji Pir, the site of his April 30 visit, is a strategically-vital pass India captured in the 1965 war and then returned to Pakistan in a territory-swap, marks the northern end of India's Krishna Ghati sector in Mendhar, where the ambush took place Monday.

Elite special forces, sources said, are believed to have monitored the Indian patrol that left Kirpan post, manned by the 200 Battalion of the Border Security Force, early in the morning, in a routine search for improvised explosive devices, knowing it would take cover in the nearest available space when machine guns and rocket-propelled grenades are fired from across the Line of Control. "The killing was over inside just a few minutes," a BSF officer, who spoke to the two survivors, said.

SC asks Centre to file status report on foreign prisoners

PRESS TRUST OF INDIA
New Delhi, May 3

THE SUPREME COURT ON Wednesday asked the Centre to file a report on the latest status of the foreign nationals, including those from Pakistan, languishing in jails after having serving out their full sentence.

A direction to this effect came from a bench comprising Justices A K Sikri and Ashok Bhushan after Solicitor General Ranjit Kumar submitted that the Centre had filed a status report in the matter in April last year.

"The Union of India had filed a status report in the form of an additional affidavit dated April 19, 2016. Let that report be updated and a latest report be filed," the bench said.

The apex court also asked the Jammu and Kashmir government to file a report in this regard after senior advocate Bhim Singh, the petitioner in the case, said that the state should also be directed to furnish the details about such foreign nationals.

Singh, who heads a political party, Jammu and Kashmir National Panthers

Party, told the bench that when he had filed the plea in 2005, there were 82 such persons who were detained in Jammu and Kashmir.

To this, the bench said, "What is the position today? Some of them must have been released or deported? We want to know the today's position."

Singh said the Centre should furnish the latest report about such prisoners. The solicitor general referred to the orders passed by the apex court earlier in the matter and said the government, in its April last year affidavit, had given details about the system which was in place.

The apex court, which has posted the matter to hearing on July 27, asked the Centre and Jammu and Kashmir to file the reports by July 20.

The court was hearing a prayer seeking release and repatriation of foreign nationals languishing in different jails in India even after having served their full sentence.

The petition has also espoused the cause of Pakistani prisoners arrested for illegally entering India through Jammu and Kashmir.
