Total Comprehensive Income for the period / year (Comprising profit for the period / year (after tax) and other comprehensive income (after tax))	(8,858)	(20,549)	(6,995)
Equity Share Capital	8,187	8,187	8,187
Other Equity (Excluding Revaluation reserve as shown in Balance Sheet)	-	-	-
Earning per equity share: Basic & Diluted (Not Annualised)*(of Rs 10/- each)	(10.78)*	(25.03)*	(8.54)*

Notes :
 1. The above is an extract of the detailed format of quarterly/half yearly financial results, filed with the Stock Exchange on 21st January, 2021 under Regulation 33 of the SEBI (Listing Obligations and Other Disclosure Requirements) Regulations, 2015. The full format of the said quarterly/half yearly financial results are available on the company's website i.e. www.jbfndia.com under investor information section and stock exchange websites i.e. www.bseindia.com and www.nseindia.com.
 2. Company had given advance of Rs. 690 lakh to one of the supplier against supply of goods in earlier years, which are unsettled for the extended period of time. Efforts are being made to settle the above advance and the Management believes that above advance either will be settled against supply of goods or amount will be refunded and hence no provision is required. The same has been qualified by the auditors in their report on the results and was also qualified by the auditors in their reports on the financial statements & results for the earlier year/ quarters.
 3. The Company has provided interest @ 9% p.a. on its borrowings aggregating to Rs. 2,24,889 lakh as against the documented rate since Company expects that ultimate interest liability will not be more than 9% p.a. Aggregate amount of interest not provided for as at 30th September, 2020 is Rs. 30,581 lakh. Accordingly, finance costs for the quarter ended 30th September, 2020, for the year half year ended 30th September, 2020 and for the quarter ended 30th September, 2019 is lower by Rs. 2,878 lakh, Rs. 6,279 lakh, and Rs. 3,420 lakh respectively, which is not in compliance with INDAS -23 "Borrowing Costs" read with INDAS-109 on "Financial Instruments". The same has been qualified by the auditors in their report on the results and was also qualified by the auditors in their reports on the financial statements & results for the earlier year/ quarters.
 4. The Company as on 30th September, 2020 has an aggregate exposure of Rs. 1,51,443 lakh (excluding corporate guarantee) in its subsidiaries namely JBF Global Pte Ltd ("JGPL") and JBF Petrochemicals limited ("JPL") by way of investment in equity of Rs. 39,617 lakh, loans including interest of Rs. 95,311 lakh and other receivables of Rs. 16,515 lakh.
 The operations of JBF RAK LLC's plant located at Ras al-Khaimah in U.A.E, a subsidiary of JGPL remained suspended since long due to its financial issues with its lenders etc. Uncertainty is also faced in respect of PTA project at Mangalore, being executed by JPL, due to non-commencement of operation as planned and default in servicing of its borrowings towards principle and interest. The lenders of JPL have also invoked the pledged equity shares of JPL held by JGPL and corporate guarantee of the Company. One of the lenders of JPL has made an application with National Company Law Tribunal (NCLT) under Insolvency and Bankruptcy Code, 2016. No audited consolidated financial statements of JGPL are available from March 18.
 Company has not carried out impairment testing in respect of the Company's exposures to its subsidiaries and hence no provision for impairment has been provided for. The same has been qualified by the auditors in their report on results and was also qualified by the auditors in their reports on the financial statements & results for the earlier years/ quarters.
 Further, the Company has discontinued recognition of interest income on Inter-corporate deposits amounting to Rs. 77,230 lakh given by it to JPL w.e.f. 1st April 2018 and accordingly interest income for the quarter ended 30th September, 2020, for the half year ended 30th September, 2020 and for the quarter ended 30th September, 2019 is lower by Rs. 2,433 lakh, Rs. 4,840 lakh, and Rs. 2,427 lakh respectively.
 5. During the previous year, one of the operational creditors of JBF RAK LLC, situated at UAE (JBF RAK), a subsidiary of the Company, had made an application with National Company Law Tribunal (NCLT) under Insolvency and Bankruptcy Code, 2016 against the Company, for supply of raw materials to JBF RAK and claimed for a debt of Rs. 12,848 lakh (US\$ 19,899,091.53). Management is of the view that in view of negotiation with the above creditor by JBF RAK and based on past settlement by the Company with above creditors in respect of raw material purchased by the Company, there will be no liability on account of it to the Company and hence no provision is required towards above claim. The same has been qualified by the auditors in their report on the results and was also qualified by the auditors in their report on the financial statements for the year ended 31st March, 2020 & results for the quarter ended 30th June, 2020.
 6. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 21st January, 2021

By order of the Board of Directors
 SEETHARAM N SHETTY
 DIRECTOR
