## Report of Independent Auditors

The Stockholder and Board of Directors  
 Western Union Financial Services, Inc.

We have audited the accompanying condensed consolidated balance sheets of Western Union Financial Services, Inc. as of December 31, 2020, and the related condensed consolidated statements of income for the years then ended (Historical Summaries), and the related note to the condensed consolidated financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the Historical Summaries in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Historical Summaries that are free of material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the Historical Summaries based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summaries are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Historical Summaries. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Historical Summaries, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Historical Summaries in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Historical Summaries.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the Historical Summaries referred to above present fairly, in all material respects, the consolidated financial position of Western Union Financial Services, Inc. at December 31, 2020, and its consolidated profit and loss for the years then ended as described in Note 1, in conformity with U.S. generally accepted accounting principles.

### Basis of Accounting

As described in Note 1 to the condensed consolidated financial statements, the Historical Summaries have been prepared for the purpose of complying with the Reserve Bank of India's Payment and Settlement Systems Regulations, 2008, and are not intended to be a complete presentation of the Company's financial position, results of operations, and cash flows. Our opinion is not modified with respect to this matter.
